

ENGINEER IN TRAINING OPPORTUNITY FOR 2025 INTAKE AfriSam – Roodepoort Plant

AfriSam (South Africa) (Pty) Ltd is one of the largest suppliers of construction-related materials, specialising in the production of Cement, Aggregate and Readymix Concrete. Operating in four Southern African countries, the company offers a wide scope of career opportunities and exposure to best practices.

At AfriSam (South Africa) we recognise that talented and enthusiastic people are the basis of our ongoing success.

An opportunity to participate in a twenty four (24) months Engineer In Training programme will be afforded to a graduate in the following study field for experiential training and to gain necessary experience to successfully enter the job market.

- **BSc or BEng degree (Electrical Engineering)**

Graduates with an excellent academic track record and good behavioral standards are invited to apply.

The successful candidate will form part of the Maintenance Team at Roodepoort Plant.
