## Cost Accountant Intern

**LOCATION: Randburg - Johannesburg**

We are a leading supplier of high-pressure water equipment solutions to the mining and minerals processing industry. Our focus is on delivering both products and tailored solutions that enhance operational efficiency, safety, and sustainability.

### Role Summary

We are seeking a high-achieving **Cost Accountant** intern to join our Business Improvement (“BI”) team. Background in Financial Cost Accounting would be advantageous. Duration 12 to 18 months.

### Requirements

- BCom. Finance/Accounting qualification
- Minimum 65% academic average
- Strong attention to detail and analytical skills
- Understanding the cost accounting principles
- Ability to work in a fast-paced environment

Join HPE and gain valuable exposure within a results-driven BI team.
